Ref: Letter dated 28-03-2018, intimating the proposed date to conduct the seminar.

Respected madam,

We proposed to conduct the seminar entitled ***“Role of Local Self Governments in Biodiversity Governance with Special Reference to Kerala”*** on 7th and 8th June 2018, as informed you through letter dated 28-03-2018. But now in Kerala particularly in Kozhikode district some of the people are infected with the life taking Nippa virus infection. Consequent to the outbreak of Nippa Virus the district collector of Kozhikode had issued an order restraining public functions. So we are not able to conduct the seminar in the proposed date. Detail press release released by the institution is enclosed herewith.

Thanking you

Yours faithfully
